

Low Profile Bracket

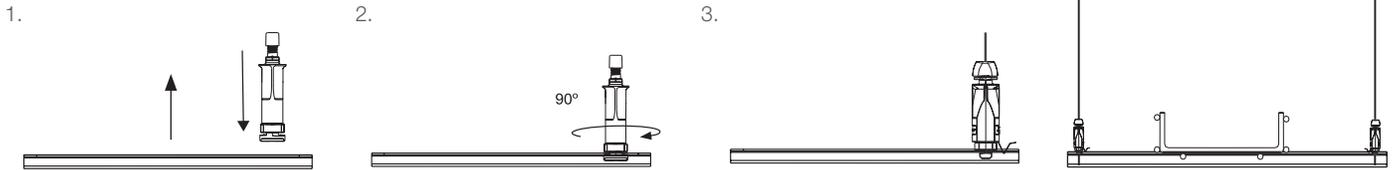

Supplied with QT Compact Clamps for quick and easy support of pipework within mechanical and plumbing services.

FEATURES / BENEFITS

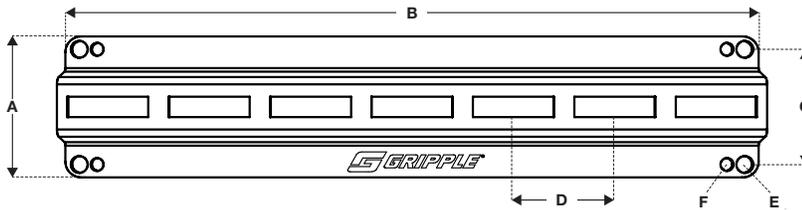

- **Quick** – pre-cut lengths eliminate the need for cutting channel on-site, allowing more productive use of labour
- **Versatile** – can be bolted directly to soffit or wall with less than 5/8" / 15 mm depth and can also be used as a shallow bearer for support of electrical service
- **Compatible** – brackets are supplied with QT Clamps or QT Compact Clamps featuring quarter turn fixing
- **Safe** – improved health and safety as no tools or 'hot works' permits are required for installation
- **Strong** – up to 330 lb / 150 kg load rating in sizes ranging from 1 ft to 4 ft
