

Accessory for single point suspension with two “leg” attachment points. Ideal for balanced lighting and runs of cable basket tray. Used in conjunction with Gripple Express or Standard Hanger.

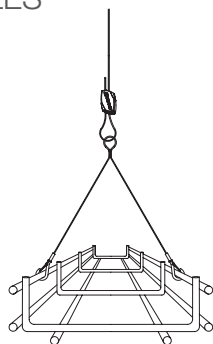

FEATURES / BENEFITS

- Ideal for longer drops to easily reach services for adjustment
- Single point suspension with two hanging points to enable one leg to be detached to allow access to cables, etc
- Variety of different end fixings including Snap Hook, Toggle and Mini Hook for attachment to a wide range of services
- Reduces the number of fixings required when compared to traditional trapeze hanging methods
- Designed to be used in conjunction with Gripple Express or Standard Hanger kits
- Industry approved

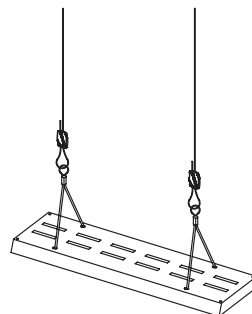

*Image shows Toggle end fixings - see 'available end fixings' for more options.
