

A translucent fastener solution for the discreet suspension of signage, decorations, acoustic panels, lighting and displays.

## FEATURES / BENEFITS

- **Discreet** – translucent fastener and filament ensures suspension blends into surroundings and creates illusion of ‘floating’ displays
- **Versatile** – ideal for retail signage, product displays, lighting, suspended decorative elements and acoustic panels
- **Easy** – innovative twist release mechanism allows the user to simultaneously adjust the position of the fastener, as well as the products suspended, in one simple movement
- **Fast** – install and adjust in seconds, eliminating signage rails and complex assemblies
- **Ready-to-use** – delivered as pre-made kits with your chosen end fixing and set length of filament, or as a DIY kit complete with InvisiGrip Fasteners, a reel of InvisiGrip grade filament, and filament cutters
- **Safe** – 11 lb / 5kg Safe Working Load with a 5:1 safety factor
