

Mini Helix Screw

Accessory

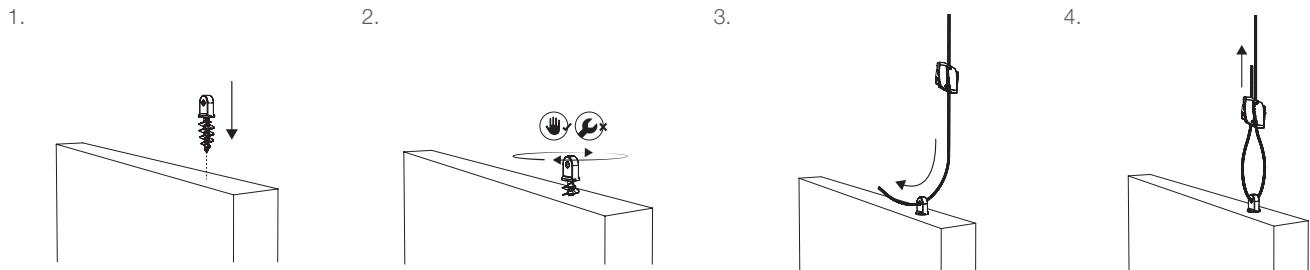

A secure, low profile screw designed for the fast installation and easy adjustment of polyester fibre acoustic panels.

FEATURES / BENEFITS

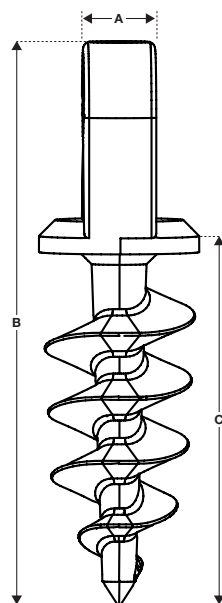

- **Strong** – the helical screw binds layers of polyester fibre to form a strong anchoring point
- **Easy** – the hanger can tilt to one side, acting as a lever for even easier insertion
- **Quick** – with the hanger and anchor pre-assembled, installation time is reduced
- **Adjustable** – easy height adjustment when using Mini Helix Screw with Express, Standard Hanger or InvisiGrip

INSTALLATION
