

B-LOCK

Whatever the job, you'll always B-Ready with B-LOCK. From electrical cables and ductwork, to lighting and signage - it's the go to for fast and easy suspension.

Our B-LOCK range will make your suspensions easier, quicker and secure! If you're installing electrical containment, ductwork, lighting or signage, B-LOCK is your go to.

Our B-LOCK hanger features slide release buttons for easy adjustment and rollers providing strong reliable grip. The B-LOCK hanger is also compatible with wire reel of 1.5mm, 2mm, and 2.5mm lengths.
