UniGrip - Cable Basket Adaptor

- **Quick** – up to 6 times faster than traditional suspension systems
- **Safe** – can be pre-installed to channel using pre-fitted washer/nut or using retention clip reducing time working at height
- **Easy** – integral ergonomically designed release button allows for simple adjustment
- **Secure** – button acts as a locking screw and indicator clearly highlights the cable is locked in position for ultimate security
- **Versatile** – variety of foot attachments available to suit applications
- **Strong** – highest load rating capability to date up to 550 lbs with 5:1 SWL

UniGrip - Cable Basket Adaptor is designed for the fast suspension of cable baskets and eliminates the requirement for channel bearers. The product features central wire exit.
